

“Crunch and Munch in Macao” documentary launched

A 4K-definition documentary “Crunch and Munch in Macao”, co-produced by China Media Group and Macao SAR, was debuted from 18th December, 2021 through China Central Television CCTV-1, CCTV website and documentary channel among other platforms, as well as broadcasted overseas via China Global Television Network (CGTN). With a total of four episodes, the documentary features Macao’s food culture as the starting point for demonstrating the development of Macao’s culinary culture over the years and the stories behind. The documentary also showcases Macao SAR’s achievements since its return to the motherland. (The song of “Crunch and Munch in Macao”:
